**From:** The Three Malaysian Musketeers

**RE: Send Us to U.S**

Dear friend,

**We're trying to get out of a sticky situation**, and you're about to reap the benefits of our dilemma.

Here's how it happened...

Last May, when the three of us attended the **World Internet Summit in Singapore**, we made a verbal agreement that none of us were going to sign-up for ANY of the packages the gurus were selling...

We were 100% sure that we already knew it all, so why bother?

On the third day, Mike Filsaime took the stage... and we realized that we've never been so wrong!

Unless you've been living on an isolated mountain for the past 2 years, you'd know who Mike is, and the amount of respect he commands from the Internet marketing circle...

Anyways..

For over 45 minutes, Mike completely blew us away with his presentation, as he laid down his unique marketing strategies and tactics including the philosophy and methodology of his "Butterfly Marketing" course.

His ideas were so simple yet powerful. We sat there and absorbed every single word he said.

Then, he made his sales pitch.

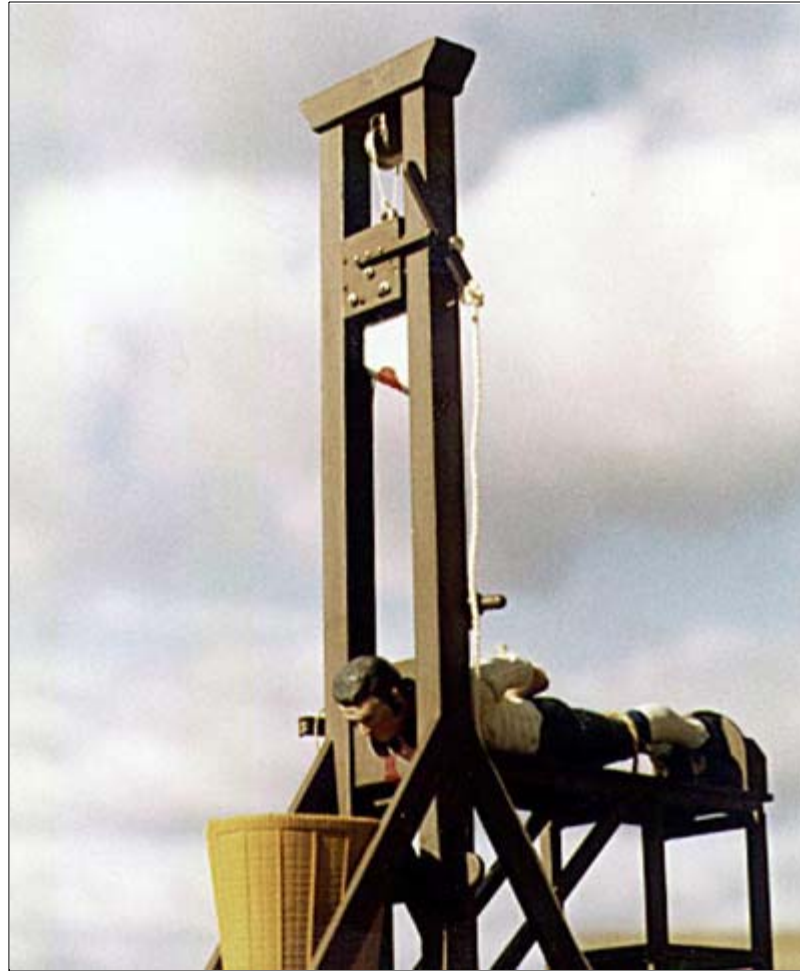

Before he could even tell us how much he was charging, we were already on our way to the

registration aisle. It was a no brainer - with his Butterfly Marketing suite of software and products, his **I5 Gold** coaching program and exclusive Platinum membership to all his unique (and expensive) services, we knew this was *the* investment of a lifetime...

We hustled for the forms and signed up without thinking twice.

But a few other "experts" in our circle of friends were not so excited.

## **We Put Our Necks on The Line By Accepting a Silly (Almost Stupid) Challenge...**

"Dude, you've just burned a few thousands dollars on this crap", someone told Vince. Then they started to laugh at us..

"Man you guys are like a bunch of gullible newbies", another irritating self-proclaimed guru told us.

Now, part of the package was a ticket for each of us to **Mike Filsaime's Internet Marketing Main Event** seminar on the 13-16 September in San Francisco, California.

So we told the skeptics that **we will finance our entire trip to this event using only the money we raise using Mike Filsaime's coaching and tools.**

"If we can't do it, we won't go at all" Gobala said.

How we wish we could take back that statement. But it was too late...

One of them started telling other participants about our challenge, and by the time the event was over every other person knew.

"Oh s\*\*\*!!!..." we thought. "What have we done?"

Now there was no turning back.

If we do not keep our end of the deal, we'll forever be the laughing stock of the Internet marketing circle. That's something we didn't need.

We went back to the hotel room, and after busting our brains we realized that even if we manage to do it and raise enough money to fund our trip to the US, it's not going to be easy!

That made us desperate. So desperate, that we're willing to let you have **USD5,645 worth** of the best Internet marketing books, software and resources (**which you can resell and KEEP 100% of the profits**) for one flat low rate - and we mean REALLY LOW..

Before we get to that, let us tell you our goal.

## Here's What We Need To Do

We need to finance our trip to the Main Marketing Event using ONLY Mike's Filsaime's methodologies, tools and resources. Due to our challenge, we cannot just show up there without proof that we actually executed our plan to perfection.

Here are the full details of the event:

**DATE:** 13-16 September 2007

**VENUE:** San Francisco, California (exact venue to be announced)

Yes we know some people are laughing at us for making such claims, but we don't care about them.

What we care about is getting out of this \*\*\*\*hole we dug for ourselves. And we're desperate enough to TELL you (not just ask politely) to get our insane package of the best internet marketing stuff, for a price that is lower than what any 2 of the individual products cost by themselves...

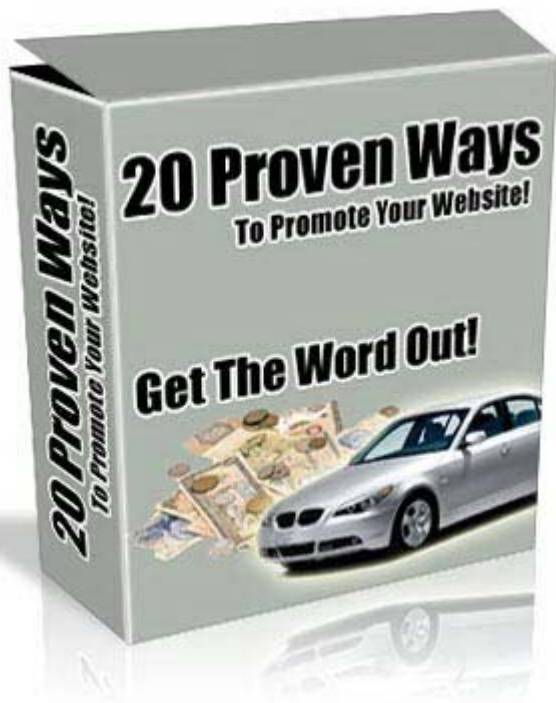

## Here's What You Need To Do

If you're game and want to help us end our misery, we're prepared to offer you 100 of the best Internet marketing products, for one flat low price.

**All these products come with Resell Rights/Master Resell Rights, so you can also sell them to your own customers or website visitors and keep 100% of the profits.**
